ORDER:

The above appeal filed on 12-12-2013 has come up for final hearing before the Vidyut Ombudsman on 11-09-2014 at Vizianagaram. The appellant, as well as respondents 1 to 3 above were present. The grievance of the appellant is that the respondent officers had erected the DTr at a place which is other than the originally sanctioned place in their estimates and that now when the appellants are seeking it to be erected at the same place where it was originally sanctioned, the appellants are being asked to shell out the relocation costs for no fault of theirs. Even the CGRF did not come to their

rescue as it asked them to bear the relocation costs. During the course of hearings it has come to light that the respondent officers had deviated from the originally sanctioned plans in so far as they erected the DTr at a place which is different from the originally sanctioned plans. Therefore, while directing the respondents to produce before this authority all the correspondence that necessitated the erection of the DTr at a place other than the originally sanctioned place, they were directed to erect the DTr at the originally sanctioned place, in the interim.

2. During the final hearing on the matter, the respondents submitted that since the main grievance of the appellant has since been resolved to the satisfaction of the appellant, the appeal can be disposed of settled. The appellant also confirmed that the respondents erected the DTr at the originally sanctioned place now. Hence, he also requested that the appeal can be closed as settled.

3. In view of the submissions from both the sides, it is hereby ordered that the appeal is closed as settled. The interim orders issued in the matter get subsumed in this main order.

4. This order is corrected and signed on this 12th day of September, **2014**.
