

05.12.2024

I.A.No.7/2024-25 in IW 334

The Representationist is present on VC, and his nominee who is an advocate is present on VC.

Heard the nominee - advocate. He stated that he would file vakalat as advocate.

This is an application for condonation of delay of 10 days in re-representation.

It is submitted that the representationist, having no knowledge of e.mail checking, entrusted the matter to a boy who informed him that no mail was received, and later having come to know from the office of Vidyut Ombudsman, that on 6-11-2024 itself his representation was returned and mail was sent and then he tried to secure the documents etc to make compliance of the objections and as such there occurred delay and seeks to condone the delay of 10 days in making re-representation.

Considering the ground urged and to give an opportunity to the representationist to pursue his matter to its logical end and in the interest of justice the delay in re-representation deserves to be condoned.

In the result this delay in re-representation of this representation is condoned. Office to check the record.
